

# OARSOME FOUNDATIONS

## **PRE 16 PROGRAMME**

Feel safe. Belong. Achieve

# WHAT IS 'OARSOME FOUNDATIONS'?

Oarsome Foundations is an alternative provision working with young people aged 9 to 16, delivering a range of practical learning and enrichment activities, alongside wellbeing support.

The Oarsome Foundations approach focuses on each individual to enable the best chance for them to achieve.

### **CENTRED AROUND FOUR KEY THREADS:**

### **SKILLS LEARNING**

Practical workshop based activities, such as carpentry,
music and bike maintenance,
with student led learning planning. Students can achieve
NCFE accredited awards in
Occupational Skills.

### PATHWAYS PLANNING

Individual support and applied learning to help students discover interests and strengths. Careers support, including work experience, to identify their pathway and faciliate next steps.

### **WELLBEING & OUTREACH**

Wellbeing support tailored to the need of each student, alongside external agency and family liaison. A focus on developing social skills to build independence.

### ENRICHMENT

Offsite visits and outdoor activities that build confidence and transferable skills, including sailing, boxing, rock climbing, paddle sports, mountain biking, orienteering and fishing.

**Referral process:** entry into Oarsome Foundations will need to be via your Local Education Authority. If you need support with the referral process, you can contact us at info@oarsomechance.org.
